SOUTH CAROLINA

DOCKET NO. 2008-58-T - ORDER NO. 2008-259

APRIL 4, 2008

IN RE: Application of Cliffco, LLC d/b/a Compass)	ORDER APPROVING
Transportation, 3226 Maybank Highway,)	CHANGE IN
Suite E3, Johns Island, South Carolina 29455)	PASSENGER
(District 6) for a Class C Charter Certificate)	RESTRICTION
of Public Convenience and Necessity.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of Cliffco, LLC d/b/a Compass Transportation (the Applicant) filed March 19, 2008, whereby the Applicant seeks approval of an amendment to the Applicant's authority granted by Commission Order No. 2008-171, dated March 11, 2008.

By Order No. 2008-171, the Commission approved the application of the Applicant for a Class C Charter Certificate of Public Convenience and Necessity to render motor passenger service in South Carolina. By this approval, the Applicant was granted authority to render motor passenger service over irregular routes between points and places in South Carolina, restricted to four (4) passengers. The Applicant requests that the Commission amend the authority granted by Order No. 2008-171 by a change in the passenger restriction. The Applicant requests to increase the passenger restriction from four (4) to fifteen (15) passengers.

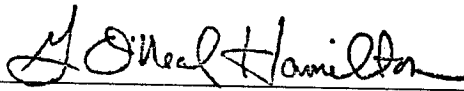

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought by Cliffco, LLC d/b/a Compass Transportation in the request for modification of the authority granted in Commission Order No. 2008-171 by changing the passenger restriction thereon from four (4) passengers to fifteen (15) passengers be, and hereby is, approved.
2. That said approval is for a change in the passenger restriction authorized by Order No. 2008-171 but does not otherwise authorize any change in the operation of the regulated services.
3. A Class C Charter Certificate of Public Convenience and Necessity shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.
4. That prior to compliance with statutory and regulatory requirements and the receipt of such Certificate, the motor carrier services authorized by this Order may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further Order of the Commission.
